FEBRUARY 9, 2023 STATUS CONFERENCE

This Chapter 12 Case in which there is a confirmed Plan was transferred from Department A to Department E as part of a realignment of cases coinciding with the change of the Chief Bankruptcy Judge in this District.

On February 2, 2023, the Chapter 12 Debtor filed an updated Status Report. Dckt. 385. This updated Status Report includes the following information (identified by paragraph number used in the updated Status Report):

1. The Order confirming the Modified Chapter 12 Plan was entered on November 4, 2021.

5. Rabo Agrifiance, LLC has filed a Motion for Relief from the Stay, which has been continued. There is no current default under the Plan, with the Chapter 12 Debtor viewing the continuance of that Motion as a “place holder” in the event that a default occurs. The hearing on the Motion for Relief has been continued to March 23, 2023.

10. The Chapter 12 Debtor continues to perform the Chapter 12 Modified Plan and there remain two annual payments to be made in funding the Plan. If the Chapter 12 Debtor cannot make the payments, the Plan provides for the marketing and sale of specified real property to complete the Plan funding.

At the Status Conference, the Chapter 12 Debtor reported that the Plan is being performed. The Chapter 12 Trustee, Chapter 12 Debtor, and other parties in interest agreed to continue the Status Conference to August 24, 2023
